

MARIANA VERA / STILL LIFE

HEY, BARTENDER!

Great cocktails are made for drinking, and for making the most of the holiday season. The book posts two of our favorite recipes, along with an appetizing finger food, gorgeously styled by the T&L staff just in time for New Year's.

For the highest quality of the ingredients used in our recipes, we've selected the finest spirits and mixers available. We've also included a list of our favorite bars and restaurants in the area, so you can enjoy these drinks in person. The book is a must-have for any bartender or cocktail enthusiast.
