ROSE
Revisited

Perfume? One word? The rose is the most popular fragrance in the world. It's also the most versatile. It's the only fragrance that can be used in a wide range of products, from body lotion to perfume. And it's the only fragrance that can be used in a wide range of products, from body lotion to perfume.

Jardin
Fondoso

It's the only fragrance that can be used in a wide range of products, from body lotion to perfume. And it's the only fragrance that can be used in a wide range of products, from body lotion to perfume.

PARAISO ENCONTRADO

Scent and Your Skin: Get the Chemistry Right

Did you know that the exact same fragrance can smell totally different depending on who you're wearing it? Parfums de France, St. Laurent, and the of course, the most famous of all, Dior's iconic Eau Sauvage. The blackberry and vanilla notes of Eau Sauvage are the most complex and the most expensive in the world. The blackberry and vanilla notes of Eau Sauvage are the most complex and the most expensive in the world.
