

JOHN OLSON / ACCESSORIES

FIT
TO BE
TIED

As he goes to work,
he brings with him
a selection of ties,
each with a different
color and pattern.
He chooses one to wear
for the day.

INCONSPICUOUS
Consumer

You know your fit, in choice of men,
but what to wear your friend's best to find some
serious style—simple—into your wardrobe. *By Chris Taylor*
