**Warming Trend**

Quilted jackets, hats, and gloves are the way to stay warm and cozy this winter. By Sarah H. Brown

**INFOCUS STYLE**

**power cables**

While you're busy getting ready for winter, don't forget to get your wardrobe in order.

LEARN HOW TO style your wardrobe for winter. From the basics of layering to the latest trends in knitwear, we've got you covered. **KNITWEAR** The season's most versatile wardrobe staple is back in a big way. This year, look for a mix of textures and colors, from classic cable-knit sweaters to chunky, textured pieces. **SCARVES** A must-have for any winter wardrobe, scarves are also a great way to add a pop of color and texture to your outfit. **COATS** Whether you're looking for a classic trench coat or a more modern, quilted jacket, there's a coat out there for everyone. **ACCESSORIES** Hats, gloves, and scarves are essential for staying warm, but they can also be a great way to add a touch of style to your winter wardrobe.

**ALPINE SOPHISTICATE**

ALPINE SOPHISTICATE: This season, alpine-inspired styles are making a comeback. Look for quilted jackets, heavy scarves, and cozy sweaters in neutral tones. **READY FOR ACTION** For those who love to get outdoors, there's a new breed of winter jacket that combines style with functionality. **THE PRIMARIES** Bright, bold colors are making a statement in winter fashion. Think neon pinks, yellows, and blues.
