

JOHN OLSON / SOFT GOODS

HOLIDAY CASHMERE

The only cashmere to wear all day. One that keeps you warm in winter, elegant in the office, and soft in the morning... right from the start.

STAY COLD COMFORT

The new down-filled puffer jacket is made with a quilted design that traps heat and keeps you warm. The jacket is made with a soft, brushed cotton lining and a durable, water-resistant outer shell. The jacket is available in a variety of colors and sizes.

THE TRUCKER
The trucker cut means this jacket can be dressed up with tailored trousers or down with denim. The green hue means you'll catch some envious stares.
Total Stryker (\$299)

THE G-1
A quilted lining and plush shearling collar make this G-1 flying-jacket style a luxurious yet snazzy choice for deep-winter months.
AIMY (\$2,795)

THE SLIM BOMBER
Glove-soft suede in navy blue gives the classic bomber style a sharp modern edge.
Offshore Gibraltar (\$1,275)

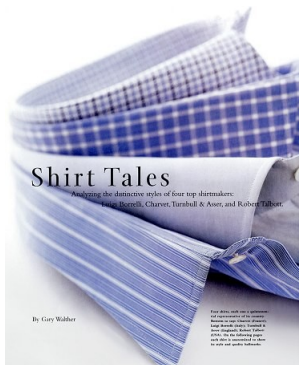

THE BIG SOFTIE
Made with supple calfskin, this caramel model features pocket edges that mimic the effects of age.
Michael Kors (\$2,945)
