Warming Trend

Daily non-iron coats will be the warm and cozy choice. By Sarah Halpern

INFOCUS STYLE

power cables

Wool goes from fuzzy to fashionable with these over-cables

POWER CABLES ARE THE NEW POWER. They're the most popular trend in menswear right now, and for good reason. The texture is cozy and comforting, and the look is classic and timeless. They're also perfect for layering, which is a key trend in menswear right now. So if you're looking for a sweater that's both stylish and functional, a power cable is the way to go.
