The O List

A few things that make life just a little more delicious.

ALBERT HEIJNDIJK has been a leading force in the world of design for over 40 years. He is the founder of the Dutch design firm **De Volkerkerk**, which has created some of the most iconic and influential designs of the 20th century. Heijndijk's work is characterized by its bold colors, geometric shapes, and playful patterns. His designs have been featured in numerous museums and galleries around the world.

CELADON'S COOL The vibrant hues of celadon are history's most coveted color. In the 11th century, Chinese potters discovered a way to create a soft, greenish-yellow glaze that has since become a sought-after color in the world of ceramics. The Celadon collection by **Blanc & Bonheur** is a modern take on this classic color, featuring a range of elegant pieces that are both functional and beautiful.

A dance of new white forms—trapezoidal, rounded, flared, and beveled—invites you to play with color through arrangement.

Blanc & Bonheur is a leading manufacturer of high-quality ceramic tableware. Their designs are inspired by nature and art, creating pieces that are both functional and beautiful. The Blanc collection is a testament to their commitment to excellence in design and craftsmanship.

Blanc colors—the joy of playing with color—just needs a little touch.

The Big Dish

Turkey? Check. Stuffing? Yes, and pumpkin pie, too. But do you have the right serving pieces? Here, a preview of the party season's best platters—they're big, they're beautiful, and they're essential equipment when company is coming.
